- **Competitions / Welcome**
- **Leeds and District update**
- **Thank You**
- **Gary's Lesson**
- **Thursday Social Event**

-----

Hello and welcome to the tenth edition of our Junior Section Newsletter.

### Competitions

It is a warm welcome to two new members to the Junior Section –

Charlie Senior and Ben Waite.

Charlie was previously at Lofthouse Golf Club and Ben at Howley Hall.

They have already settled into the section and participate on a regular basis so good luck gentlemen for the season below.

Jocelyn Deary has been selected to be the Junior Vice Captain for 2020.

She will work alongside Oliver Roberts who will be the Junior Captain from April 2020

Jocelyn Deary continues to attend the coaching sessions held by the YLGCA at Owston Hall in Rotherham in 2020

This is clearly paying dividends for Jocelyn as her early season form has been outstanding.

The competitions have now recommenced after our short Winter Break with the first captains / vice captains challenge already taking place.

It is congratulations to the Captains Team of Oliver Bateson, Aaron England, Lewis Varley (Captain),

Joelyn Deary, Peyton Speak who came out on top on this occasion.

This is the Juniors introduction to Matchplay, and since we have held our first Bogey Competition which was greeted with mixed reviews.

### Leeds and District Update

The fixtures will commence in May and it is expected that the Juniors will play from the Yellow Tees.

Regular contact is now being made with other clubs in anticipation of the season ahead, and Cookridge Golf Club will bring a team for a friendly fixture on Saturday the 06<sup>th</sup> June.

The main season fixtures will be released before the end of February to run alongside the main fixture list for the club.

### Gary's Lessons

The lessons with Gary re commence on Saturday 21/03/2020 at 13.00pm each Saturday and are open to all Juniors of any golfing standard.

Players will be welcomed onto the course and given an Official Playing Handicap when Gary has assessed their playing ability and will be offered full Golfing Etiquette Coaching.

### Thank You

It is with the continued support from members across the board that the Junior Section continues to grow. It is with thanks to Andrew Booth who has this month donated golf balls to the section that have now been handed out.

I am aware of the shortage of tee times for 7 day members of the club during the winter months.

The Junior Tee Times are from 13.15pm every Saturday but we will whenever possible accommodate members to tee off in front of the juniors, so do not be afraid to come and see me if this is required.

### Thursday Social Event

This year there will be once again the opportunity to play alongside our Junior Talent.

This will re commence when the light allows, and all players are invited to meet Kay at the club for 16.30pm.

I will notify every one of the start dates when we have a firm idea.
